

Elementary Dates Dismissal Times

Dear Elementary Families,

I wanted to provide additional information on the elementary-only early dismissal days for this school year. Our school calendar includes three elementary-only early dismissal days to provide for additional planning and collaboration time for elementary school teachers. Due to the substitute shortage, we do not have coverage to release teachers during a regular school day as we have typically done in the past so that this essential planning and collaboration time could be achieved. The three elementary-only early dismissal days are listed below. On these days, we will continue to offer PM Kindergarten at its regular time. Dismissal for AM Kindergarten will be 11:25 AM and the dismissal time for students in grades 1-5 will be at **12:20 PM**.

Friday, Jan 12th: Early Dismissal for grades 1-5. PM Kindergarten offered.

Friday, Feb 16th: Early Dismissal for grades 1-5. PM Kindergarten offered.

Wednesday, March 6th: Early Dismissal for grades 1-5. PM Kindergarten offered.

The dates listed below are early dismissal days for the entire district. There will be **NO** PM Kindergarten offered on those days. Early dismissal for **AM Kindergarten will be at 12:00 PM** and dismissal time for students in **grades 1-5 will be at 12:20 PM**.
